

MassGrown and Fresher News – July – Savor the Season

July kicks-off blueberry season and it's an exciting time of the year to go [pick your own](#)! Grab some of our most delicious & nutritious berries - either on the [farm](#) or at your [local farmers' market](#). The weather couldn't be better to get outside and the season is short, so don't miss out!

We are thrilled to feature Nobska Farm's delicious [Very-Berry Summer Salsa](#) recipe this month, along with our ["Face of Agriculture"](#) John Lee! Check them both out.

Many [agricultural fairs](#) are opened and offer the whole family an opportunity to learn about Massachusetts agriculture. Fairs are held all over the state, from the Vineyard to the Berkshires, allowing everyone the chance to visit one close to home.
